

OUR FOUR CORE OBJECTIVES

- To Get More Science Done With the Budget We Have.
- To Ensure the Vision for Space Exploration Succeeds.
- To Promote U.S. Leadership Across All of SMD's Science Disciplines.
- To Create a Better Workplace.

WE WILL ACHIEVE OUR OBJECTIVES

- By Controlling Costs.
- By Increasing Flight Rates.
- By Repairing R&A: Both Processes & Budget.
- By Ensuring Missions Fund Their Science.

- By Expanding Foreign Collaborations.
- By Expanding Suborbital Research.
- By Recreating a Lunar Science Community.
- By Accelerating Progress on All Four Decadal Surveys.
